POOL COTTON!

In a recent address, Mr. W. T. Martindale of India, a director of the American Farm Bureau Federation, stated:

"Of the total income of all classes of people in the United States during 1929, approximately \$102,500,000,000, industry received 55 per cent, labor 28 per cent and agriculture only 17 per cent. On the basis of population, industry should have received 42 per cent, labor 25 per cent and agriculture 33

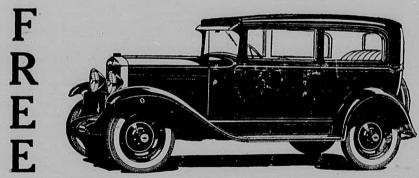

Mr. Martindale presented figures showing that this unequal distribution of wealth produced in the United States last year was attributed primarily to # the fact that agriculture is not as well organized as industry and labor—agriculture being only 33 1-3 per cent organized, while industry is 75 per cent and labor 60 per cent organized.

Mr. Martindale further stated: "It is only during the last year and a half that American Agriculture has concentrated on the marketing problem. This problem has become so serious that the Government had to step in. Before we can put the program over in a general way there has to be some kind of organization. Regardless of what I get for my products by marketing in an organized way, I am going to stand behind my organization. The farm problem will never be solved until we solve it ourselves. I am ready to assume my share of responsibility, and I'll stick to it, thick or thin, so help me God."

far more important than court at this time."

THE NEW TEXACOMOTOR ".more than meets the requirements of today's high compression engines, says the Hochstadter Laboratories, inc., ▲ STUDY of this report reveals a number A of interesting facts about this new lubricant. It is definitely shown that the new Texaco Golden Motor Oil has a higher viscosity at high temperatures and a lower viscosity at low temperatures. It is an oil with a flatter viscosity curve, which means greater heatresisting qualities and a longerlasting body. It will hold its lubricating qualities throughout the entire range of engine temperatures with a very low oil consumption. This was substantiated and proved in a nation-wide road test under extremely varied driving conditions in which the thirteen test cars averaged 790 miles to the quart. The new Texaco is manufactured in 5 grades: C, D, E, F, and G, conforming with Society of Automotive Engineers viscosity gradings. Sold in all of our 48 States under the Texaco Red Star Technicians in the examination of Petroleum Prodwith the Green T. 30c a quart (35c

A gross income from farm production of about \$11,851,000,000 in 1928, with \$11,616,000,000 in 1927, and with \$11,480,000,000 in 1926 is estimated by the U. S. Buran of Agricultural Economics.

The change was made after a careful survey of the preference of farmers in all parts of the country. The handling of a 200-pound bag is a strenuous job, and the smaller bag should mean real relief on the farm and better condition of the material.

NOTICE

Notice is hereby given that the city tax assessor for the City of Elba, Alabama, has filed with the Mayor and Council of the City of Elba, an assessment of all real Ilief on the farm and better condition of the material.

Adults Contract Children's

Diseases

Adults can, and do, contract many children's diseases. And, usually, they suffer from them much more than children do. For instance, many adults contract worms, an ailment usually associated with children. Sometimes they suffer intensely and take expensive medical treatments, without realizing that worms are the cause of their troubles. Yet, the symptoms are the

zing that worms are the cause of their troubles. Yet, the symptoms are the same as in children, loss of appetite and weight, grinding the teeth and restless sleep, itching of the nose and anus, and abdominal pains. And, the same medicine that surely and harmlessly expels round and pin worms from children will do the same for adults — White's Cream Vermifuge, which you can get about 1,30, and abdominal pains. And, the same for adults — White's Cream Vermifuge, which you can get about 1,30, and the same for adults — White's Cream Vermifuge, which you can get about 1,30, and the same for adults — White's Cream Vermifuge, which you can get about 1,30, and the same for adults — White's Cream Vermifuge, which you can get about 1,30, and 1,30, Cream Vermifuge, which you can get ab price reached or passed the pur- to 27,000,000.
